He served in numerous capacities: Team Scorer, Player Agent and Liaison between the Gatemen and the Boston Red Sox. Tom also served as a Member on the Board of Directors. He taught for 55 years in the South Coast, retiring from Tabor Academy last June. Tom passed away on November 1, 2015.

Arnold Mycock (1924 – April 22, 2016)

"Arnold Mycock was a driving force in the very creation of what is known today as the modern Cape Cod Baseball League. He was instrumental in combining two separate baseball leagues on Cape Cod into a single league, forming its non-profit incorporation in 1963, and gaining NCAA-sanctioned status for the newly organized Cape Cod Baseball League. Thereafter, Arnold Mycock served in numerous League roles, which included Vice President, Treasurer, League Statistician and Scheduler. In recognition to his decades of limitless volunteer service in Cotuit, and to the Cape Cod Baseball League, Arnold was honored by the Cape Cod Baseball League as an inaugural member of its Hall of Fame in the year 2000, and the League Championship Trophy is named after him."

Paul Logan President, Cotuit Kettleers Welcome to Spillane Field, Home of the WAREHAM GATEMEN!

It is that time of year again. The temperature outside is getting warmer and the Gatemen family members have been working hard all winter and are excited that opening day is finally here. The BOYS are back in town and we are all ready for another summer of exciting GATEMEN baseball. I would like to thank all of our loyal fans who continue to support the Wareham Gatemen year after year and to welcome those of you who are here for the first time. We are positive that you will enjoy the Cape Cod Baseball League appropriately named "America's Baseball League" - the combination of wooden bats, summer weather, tradition and the outstanding talent of our country's very best college players cannot be topped. The Wareham Gatemen is one of 10 teams that make up the Cape Cod Baseball League (CCBL), whose beginnings date back to 1885. All the teams are non-profit organizations, dependent upon financial support from sponsors, grants and donations. The CCBL has been a prominent source of Major League Baseball players for decades —Boston Red Sox players David Murphy, Brandon Workman, Ryan LaMarre and Matt Barnes are all Gatemen alumni. There are over 297 active Major League players who once played in the CCBL presently playing in the major leagues. Over 1,200 players who have retired from baseball or served professionally in other levels of the sport also are products of the CCBL.

When a player comes to Wareham, he is placed in a private home with his own 'host family' - a built-in cheering squadwho help make the transition away from home easier. Relationships between the players, host families, employers, fans, coaches and the staff last a lifetime. The people who provide these positive experiences not only help shape the lives of the Gatemen players, they also help shape the Wareham community. The team makes a significant financial contribution to our communities. On the average, four members of each player's family come to visit during the summer for at least one week. They patronize our restaurants, hotels, bed & breakfast and shops contributing in excess of \$185,000.00 to our community each summer. Thus, the Gatemen are a community asset which we all can enjoy and benefit from all summer long.

The Gatemen have a new head coach at the helm for the first time in over fifteen years. Coach Jerry Weinstein will be heading up a very talented and well-respected coaching staff. Coach Weinstein comes to the Gatemen from the MBL Colorado Rockies where he has been working the past several years as the Developmental Supervisor and Offensive Coordinator. Before the Rockies, Jerry held several head coaching positions at a number of colleges in California. Joining Coach Weinstein will be Bob Prince, Head Coach of UMASS at Dartmouth: Brian Kownacki. Asst. Coach of Fordham University; Don

Sneddon, Colorado Rockies; Pitching Coach Jim Lawler and returning to the Gatemen for his ninth year as an assistant coach, Darrell Maxwell. The coaching staff will be working with our GM, Andrew Lang, and 28 of the very best college players in the country to provide you all with a very exciting and fun summer of baseball in Wareham.

We urge our fans to follow the Gatemen via our website, www.gatemen. org. From there you can link to the CCBL web page, www.capecodbaseball. org, and receive up-to-date stats on all the players in the League.

In closing, I want to personally thank all of our volunteers who spend countless hours year 'round working toward the objective of making our Organization better. Without their efforts, very little of what we all have come to expect would be possible. I truly appreciate your hard work and support.

I would like to extend an invitation to all of you to become a member of the Gatemen family.

GO GATEMEN!!!!!!
Thomas P. Gay, President
Wareham Gatemen Baseball, Inc.

THE GATEMEN ORGANIZATION - PLAYER COMMITMENT

STATEMENT OF PURPOSE

The Wareham Gatemen's purpose is two-fold: to help young men mature and to become better baseball players. The Cape Cod Baseball presents a great challenge, as well as a great opportunity.

ATHLETIC COMMITMENT

Our Organization pledges a total commitment to help our players prepare themselves for professional baseball. Our coaching staff will always be available and is dedicated to teaching players the game of woodbat baseball. We provide top of the line equiptment.

PLAYER COMMITMENT

We expect players to work hard - a joint commitment of us to the other. We expect a player to focus his efforts, have a strong work ethic, and keep outside distractions - which will have a negative impact on his ability to learn as well as on his ability to play - to a minimum

ORGANIZATION COMMITMENT

The Gatemen Organization promises that we will make every effort to have this summer baseball season the most enjoyable summer experience for each of our players. Housing and jobs have been selected accordingly and team outings have been planned.

COMMUNITY COMMITMENT

Players have the opprtunity to make life-long friends in Wareham and will make a great impact on the lives of many local children.

Our long term fans are extremely supportive and loyal

TEAM BEHIND THE TEAM

The Wareham Gatemen Organization is fortunate to have a group of volunteers not only from Wareham, but from other communities as well, who work year 'round for the benefit of the team. We assist in finding suitable housing and jobs, coordinate an advanced baseball clinic program and a summer program for youth, coordinate a reading program in area schools, libraries and Boy's and Girl's Club with the players and operate a concession stand during all home games. Volunteers, also, welcome guest and fans at the gates, sell raffle tickets, handle publicity, work on the field in the off season and other tasks as they arise. These volunteer

members help make for a highly successful season for the Gatemen and the community. If you would like to help, contact a member of the board or come to the organization monthly meetings. We meet from September to June on the second Thursday of the month at 6:00 PM at Cape Cod Five Bank.

Dedication - Coach Cooper & Kandi Farris

From your rookie campaign in 2000 that saw you honored with the Cape League Coach of the Year Award, you brought respect, honor and pride to the Gatemen Organization. The countless contributions you made inspired and motivated everyone involved – not only the coaches and players, but our members, interns and bat kids as well.

There are many words which have been used to describe you; coach, gentleman, friend, husband, father, but the one word which best describes the Cooper we love is TEACHER. Cooper, your teachings to the hundreds of players who stepped out onto Spillane Field will be revered and remembered with affection for all time. We will forever look back fondly on what you have taught all of us about commitment and what it means to be part of a team. Using your vast knowledge of the game, your years of experience and love of the game, you taught every player what is needed to succeed in realizing their dreams of playing in the Major Leagues.

Kandi, you shared your husband unselfishly with the Organization, coaches and players; you wereavailable at a moment's notice when the need arose — cheering the team, helping to feed the team, helping to get the locker room ready for the season and

packing it up at season's end.

We always looked forward to your arrival – both of you! It meant that the game we love was about

to be played and the people we missed during the off season were coming 'home'. We shared many nights together cheering on our team and enjoying every minute together.

Thank you, Cooper and Kandi, for the memories

made over the years; they will be treasured more than you'll know. You will always be special members of our Gatemen family. We wish you many happy moments with your families and we hope you know that you are always welcome in Wareham.

Wishing you all the best,

Your Gatemen Family

Wareham. Massachusetts

Wareham, located on Buzzards Bay, has a year-round population of approximately 20,000 and is predominantly rural. Situated just to the west of the Cape Cod Canal with 54 miles of coastline, the summer population swells to more than 46.000. Within the town boundaries are the villages of Wareham, West Wareham, East Wareham and Onset.

Shipbuilding and whaling were early industries, but Wareham was originally a manufacturing town. The town's swamplands were rich in iron ore, leading to the manufacturing of cut nails at the Tremont Nail Company beginning in 1822. Wareham is a major grower of cranberries, an important source of revenue for the town.

Recreation and tourism also play a vital role in Wareham's economy. Boating, fishing, shell fishing, golf and beaches attract many families to the area. Small shops

as well as chain department stores and restaurants can be found in the commercial districts. Wareham is also fortunate to have Tobey Hospital, part of Southcoast Hospital, Inc., located downtown, just minutes away from Spillane Field.

The Wareham Gatemen Organization provides employment to the players during the summer at the Wareham Free Library, at Spillane Field maintaining the baseball field and surrounding areas, reading to elementary school children as part of our Reading Program, as well as instructing children in our Youth Baseball Clinics.

It has always been the policy of the Gatemen to invest and improve Spillane Field so that it not only benefits our teams but all users of the complex. Since 1984, we have made major improvements.

in the Cape Cod Baseball League

Cape Cod League Baseball (CCBL), one of the nation's first form of organized baseball, dates back to about 1885....Baseball in Wareham...we could go back many, many years on this one - perhaps to 1880! The exact date may never be officially agreed upon - but, Wareham participated in the original Cape League dating back to the 1920's Some records indicate since 1927. At that time, the Wareham team played their home games at Warr's Park, the baseball field being in the center of the park surrounded by a racetrack (trotting horses) just off the road leading to Pinehurst Beach. The team was composed of local players complimented by a few outstanding players from the New Bedford area (additional information regarding this team cannot be found). Baseball, considered America's favorite pastime, became very popular in the 1930's with the establishment of the Wareham Twilight League. This League was composed of local players Member teams were the Wareham CD, East Wareham Elks, Tremont AA, Pappi's Live Wires sponsored by Alfred Pappi Electric Co. (later renamed Meadowbrook sponsored by Meadowbrook Dairy). Atwood AA came into the League sponsored by Ellis Atwood Cranberry Co. of Carver. With the exception of the East Wareham teams (who played their games in East Wareham), all home games were played on the Wareham High School Field located on Marion Road where the Town Hall is now. The last few years of the Twilight League was very popular throughout the area, but with many of the young men joining the armed forces, the League eventually folded. Baseball continued though, with one team representing Wareham, playing outstanding teams from the New Bedford area and throughout the state.

Steve Robbins – Mr. Baseball of Wareham – first reached noticeable heights when he played baseball for Wareham High School as a third baseman Actually, he never got too far from third, since that was his regular coaching spot for his many teams throughout the 35 years of playing and managing on the Twilight League ... assuming the job as manager of the Wareham Town Team. In 1946 Wareham officially joined the Cape Cod Baseball League, making playoffs several seasons, and finally winning the Upper Cape Championship in 1957. In 1958 an attempt was made to secure a lighting system for the home field. In 1964 lights were finally installed at the Wareham field with an appropriation of \$17,500 from the Town and the perseverance of Steve

Cod Baseball League and initiated many changes. Coaches were required to be from colleges and players were reguired to be enrolled in a two-year or four-year institution, have college eligibility remaining, have opportunity to be gainfully employed, and from his earnings must pay his own room and board. In this way the Cape Cod Baseball League maintained amateur status and NCAA certification. Finding jobs and housing for college players required time and committees had to be set up to handle these requirements. The Wareham Town Team now became the Wareham Gatemen. In 1967, Steve Robbins officially retired from baseball Under his guidance and instruction more than 300 players represented Wareham on the baseball field during his managerial career in the Cape Cod Baseball League In 1976 the Wareham Gatemen, supported by John N. Decas and directed by Bill Livesey (who came out of retirement), went on to win their first League championship. John N. Decas headed the team from 1967 to 1983. John H. Wylde took over the management of the Wareham

John H.Wylde took over the management of the Wareham Gatemen in 1983, although he had been an ardent fan since at least 1980. Under Wylde's rein the Gatemen amassed an impressive record. Coach Don Reed was named CCBL Manager of the Year in 1991 and 1993, and coached the team to League titles in 1994 and 1997. In 2004 Reed was inducted into the CCBL Hall of Fame for his 13 years as coach in the League, and a record of 333-214-19. This is the third best winning CCBL record (0.606). He held the record for the most wins in the League, as well as first in Playoff wins with 29. Reed is the only manager to take his team to the playoffs 13 consecutive times.

In 2007 John Wylde was named to the CCBL Hall of Fame, in recognition of his service to the League and the Gatemen. Under his management the team earned League championships in 1988, 1994, 1997, 2001 and 2002. Tom Gay took over the management of the team after Wylde's untimely death in 2008.

In 2012 Cooper Farris, Head Coach since 2001, guided the Gatemen to the CCBL Championship. Finishing second place in the West for the regular season, the team won the Western Division Championship in a four-game playoff season, and the League Championship in a nail-biting, 10-inning game. The team was honored by being awarded the Arnold Mycock Award, the Commissioner's Cup, and the CCBL Executive of the Year (Tom Gay) that year.

YOUR OPPORTUNITY TO BE IN THE BATTER'S BOX

Every Cape Cod Baseball League Team must provide housing and a job opportunity for each of its 25 players. Each franchise is run independently and, therefore, differently depending upon the community in which it in located.

The Wareham Gatemen Organization is fortunate to have a group of volunteers not only from Wareham, but from other communities as well, who work year 'round for the benefit of t he team. We assist in finding suitable housing and jobs, coordinate an advanced baseball clinic program and a summer program for youth, coordinate a reading program in area schools, libraries and Boy's and Girl's Club with the players and operate a concession stand during all home games. Volunteers, also, welcome guest and fans at the gates, sell raffle tickets, handle publicity, work on the field in the off season and other tasks as they arise. These volunteer members help make for a highly successful season for the Gatemen and the community.

Community service is a source of great personal satisfaction, and being involved with a Cape Cod Baseball League team provides an activity in which families are able to participate together. We are always in need of fresh ideas, the donation of your time, etc. In return, you have the opportunity to meet people from the community and to get to know these hard-working, enjoyable athletes and their families on a more personal level.

The Organization meets monthly during the off-season. Times and location can be found on our web site: www.gatemen.org. Membership is open to all and help at any time is always greatly appreciated.

2015 Wareham Gatemen

Throughout the off season, ball players are recruited ad sign to be on the Gatemen. Unfortunately not all of them arrive at the start of the season. NCAA playoffs, team USA, the Major League Draft, injuries of other commitments, contribute to the need for replacement players. Some stay only a short while, others sign a contract with the team and are with us all summer. During the 2015 season the following players wore a Gatemen uniforms even though they weren't originally recruited.

We thank these players for their contribution to the 2015 Season.

After two years of missing out on the post season, the Gatemen bounced back in 2015 to cap off a 14-win season with a playoff birth. Wareham finished the regular season in third place with a 17-25 record, however in the first round of the playoffs the Gatemen dropped the first two games to the Bourne Braves to end their season.

Dominant pitching performances fueled the Gatemen for much of the season. Gatemen All-Star lan Hamilton had the second lowest ERA in the league with .89 in just over 40 innings pitched. Joining Hamilton was lefty Evan Hill who ranked 7th in the league's ERA category with an impressive 1.80 through 40 innings of work.

For the first time since 2012, the Wareham Gatemen organization hosted the 2015 Friendly's Cape Cod Baseball League All-Star Game at Spillane Field. The Gatemen were well represented in the event. Seven (Gatemen) were named All-Stars, while one (Gatemen) represented the team in the home run derby. Wareham had the most All-Stars out of any team in the Western Division. (delete - too many)

Catcher Nick Cieri (Maryland) and outfielder Andrew Calica (University of California Santa Barbra) made the starting lineup for the game, while the southpaw Blake Fox (Rice) got the starting nod. Charlie Warren (Rice), Evan Hill (Michigan), lan Hamilton (Washington State), and David MacKinnon (Hartford) also represented the Gatemen in the All-Star game.

Logan Sowers (Indiana) kicked off the All-Star festivities by earning the crown in the homerun derby while lan Hamilton ended the day on a high note taking home the Western Division MVP honors.

Andrew Calica had a summer to remember, shattering the Cape Cod Baseball League hitting record batting an impressive .425 through 31 games. Calica collected 48 hits in 113 at bats. He finished the summer season by winning the league's prestigious hitting award, given to the player with the highest batting average in the league.

Kramer Robertson(LSU) returned to Wareham for a second summer where he belted 27 hits in 87 at bats, good enough for a .310 batting average to improve on the previous summer. The second basemen saw action in 28 games where he had a triple, five RBIs and worked 10 walks.

Along with Robertson, the NC State duo of Andrew Knizner and Ryan Williamson returned to Wareham in 2015. For Knizner this was the first time he would play behind the backstop for the Gatemen. The previous summer Knizner played third base before switching to catcher during his sophomore year at NC State. Knizner led the team in doubles, driving 6 doubles in 34 games played. Williamson appeared in five games and made two starts on the summer.

David MacKinnon joined the Gatemen on a temporary contract and ended earning a full contract as well as a spot on the All-Star team. The Massachusetts native batted .292 through 40 games and 130 at bats last summer.

Gavin Stupienski joined the Gatemen late in the season, but vastly helped the offensive struggles the Gatemen faced during the season. The catcher batted an impressive .351 through just eleven games. It was his offensive production that helped the Gatemen clinch a playoff birth.

Three Gatemen pitchers departed from Wareham early to play for team USA. Dalton Jeffries of Cal Berkley, Anthony Kay from UConn, and Bailey Clark of Duke all played for Team USA last summer. Prior to departing for Team USA, Bailey Clark made three dominant starts as a Gatemen giving up just one run and 10 hits while recording 11 strikeouts. Daulton leffries appeared in three games for the Gatemen giving up just two runs on 12 hits, while Anthony Kay started two games giving up four runs on eight hits.

A pair of Rice University Owls played for the Gatemen in 2015. The southpaw Blake Fox turned heads with his sly pickoff move. Fox, a 2015 All-Star, recorded three starts and had 17 strikeouts in 27 innings of work. Warren, who returned back for his second summer with the Gatemen, batted an impressive .305 in which he had 4 doubles and worked 13 walks.

Matt Krook and Mark Karaviotis represented the Dukes of Oregon for the Gatemen this summer. After a successful Tommy John surgery, the Cape was the first time Krook faced live batters in over a year. He had six starts with just over 11 innings of work. Krook fanned 15 and gave up just 11 hits.

The Gatemen look to build upon the success in 2015 and earn a trip back to the playoffs in 2016 with new head coach Jerry Weinstein at the helm.

The Wareham Gatemen today announced the hiring of **Jerry Weinstein** as their Field Manager and the return of **Jim Lawler** as Pitching Coach. Gatemen President Tom Gay and General Manager Andrew Lang made the announcement.

This is the first Cape Cod League managerial position of Weinstein's extensive coaching career. Weinstein joins the Gatemen organization after spending the previous nine seasons with the Colorado Rockies, last season as the Rockies Developmental Supervisor.

"Jerry has a wealth of knowledge and experience at not only the professional

experience at not only the professional level but also in collegiate baseball," said Tom Gay. "What most impresses us is Jerry's commitment to player development, which is the foundation of the Gatemen organization. Lang added, "I am very excited to welcome Jerry Weinstein and his family to the Gatemen organization. When you are looking for a new coaching staff the most important thing is to find someone who fits into your organization's philosophy. I am very confident that Jerry will continue and even enhance our philosophy of player development. I love to win, but what is most important to me is that when a player returns to school in the fall his coaching staff can really see the improvements he has made over the summer. I have absolutely no doubt that will continue under Jerry's leadership."

Weinstein began coaching in 1966 with UCLA. In 1974, after various coaching jobs in the southern California area, Weinstein took the Head Coaching position at

Sacramento City College. During the twenty three years Weinstein spent at Sacramento City College, Weinstein's teams went to twenty consecutive post seasons, sixteen league championships, one California Community College Championship (1988), one National Community College Championship (1998) and compiled a record of 831 - 208. Weinstein is a member of the Sacramento City College Athletic Hall of Fame, the California Community College Hall of Fame and the American Baseball Coaches Association Hall of Fame. Weinstein left Sacramento City College in 1998 to pursue opportunities within professional baseball, most notable spending the last nine seasons with the Colorado Rockies. Weinstein held various positions within the Rockies organization; Manager of the Modesto Nuts; 2007 - 2011 (High A Affiliate), Catching Coordinator; 2011 (All levels), Major League Catching and Defensive Positioning Coach; 2012 – 2014 (Colorado Rockies), Offensive Coordinator; 2014 (All levels) and Developmental Supervisor; 2015 (All levels).

In addition to his experiences in professional and collegiate baseball, Weinstein served as an assistant coach for the 1987 Pan American Baseball Team. assistant coach for the 1992 and 1996 USA Olympic Baseball Team, and was the head coach of the USA Baseball Team, which won the Gold Medal in the Macciabah Games. Weinstein will also serve as the head coach of the Israeli National Baseball Team in the World Baseball Qualifiers in 2016. "I have had a lot of great baseball experiences, not the least of which is the last nine years I have spent working for the Colorado Rockies Baseball Organization. I am truly indebted to Dick Monfort, leff Bridich and Zach Wilson for that opportunity. I am now looking forward to this new opportunity." Weinstein said. "I feel that my professional, international and college experiences in baseball have really prepared me for this next challenge as Field Manager of the Wareham Gatemen. I appreciate the trust that Tom Gay, Andrew Lang and the Gatemen Executive Board have demonstrated in offering this opportunity to me and my family. Rest assured that our staff will be dedicated to putting the best product on the field while being sensitive to

the developmental needs of every player." Weinstein resides in San Luis Obispo, CA and is an alum of UCLA and their baseball program.

"We are very lucky to have Jim Lawler come back again next summer. I really can't say how happy I am that he is able to come back" Lang said. "Jim has done an outstanding job with the pitchers for the past two seasons. All you have to do is call up one of our former pitchers and ask them about Jim. Everyone will say first how much they loved pitching for him and second how much they learned from him. Now with the addition of Jerry Weinstein as head coach, I can confidently say that we have the best coaching staff in the league."

The Gatemen now turn their eyes towards filling out the rest of the coaching staff for the 2016 seas

The Wareham Gatemen have also announced the hiring of Don Sneddon. Gatemen President Tom Gay and General Manager Andrew Lang made the announcement.

This is the first Cape Cod League coaching position of Sneddon's extensive coaching career. Sneddon joins the Gatemen organization after spending the 2014 season managing the Modesto Nuts, High-A affiliate of the Colorado Rockies Organization.

"Don is going to be an excellent addition to an already great coaching staff," said Tom Gay. "Don will bring his wealth of knowledge and experience and will fit in well with the rest of our coaches." Lang added, "Adding a coach of Don's stature to the staff is exciting. The purpose of the Gatemen is to provide the players that come in with the knowledge and training to become professional baseball players. This is our number one goal. Don is going to be a major part of that."

Sneddon coached at Santa Anna Junior College for 32 years before joining the Colorado Rockies Organization in 2014. At Santa Anna, Sneddon's teams won 16 Orange Empire Conference titles and three California State titles. Sneddon set a state record for career wins in 2006, passing newly hired Gatemen Field Manager Jerry Weinstein.

2016 Gatemen Staff and Personnel

Sneddon retired with 1,072 wins, the most in California community college history. Over the course of Sneddon's coaching career, more than 200 of his players received scholarships to four-year schools. In addition, more than 100 went on to sign professional contracts.

Sneddon is a member of the California Community College Baseball Coach Association Athletic Hall of Fame

In the same year, Lawler was drafted by the New York Yankees, where he played one year in the minor league system. In 1978, Lawler joined the Gonzaga University as the baseball team's new head coach, coaching the Bulldogs from 1978 to 1980. His other impressive coaching opportunities from 1980 - 2008 consists of Head Coach of University of Texas at El Paso, Associated Head Coach of Texas A&M, and Head Coach of University of Arkansas at Little Rock. Jim Lawler has been a guest speaker at the NCAA National Baseball Convention on four occasions. Lawler produced a video titled, "Pitching Mechanics by Jim Lawler", that has been recognized and sold nationwide. In 2005, Lawler was awarded the National Assistant Baseball Coach of the Year. The Wareham Gatemen welcomes Coach Lawler and his family back to Wareham and Spillane Field.

ASSISTANT COACH BOB PRINCE MIDDLEBORO, MA

In just three seasons at the helm of the baseball program, Bob Prince has created a winning culture that has restored UMass Dartmouth to its contender status in the strongest conference in Division III. Entering his fifth season, Prince has compiled an overall record of 78-85 (.478), including a recent 20-win season.

Prince was named head coach at UMass Dartmouth in August 2011, succeeding Bob Curran. In addition to his coaching responsibilities, Prince is the athletic facilities coordinator.

In 2014, Prince guided the Corsairs to an overall record of 21-22, marking the program's most successful season in terms of victories since 2005. UMass Dartmouth won five of its final seven conference contests to post an 8-6 mark and earn the No. 3 seed in the annual Little East Conference Baseball Championship tournament. Prince led his charges to victories over intrastate rival UMass Boston and Southern Maine before suffering one-run losses to two nationally-ranked clubs (Eastern Connecticut, Southern Maine) to close the 2014 campaign.

In just his second season, Prince brought the Corsairs to the cusp of an NCAA Division III tournament appearance. Seeded fifth in the conference tournament, UMass Dartmouth rebounded from a first round loss with three consecutive wins—knocking out Western Connecticut, UMass Boston, and Eastern Connecticut—to advance to the 2013 Little East Conference Baseball Championship Game. The Corsairs gave top-seeded Southern Maine all they could handle, but their upset bid was eventually thwarted. UMass Dartmouth finished the 2013 season with an overall record of 18-23, a four-win improvement from 2012.

A tremendous motivator and recruiter, Prince has mentored eight all-conference honorees. Ryan Medeiros became the second student-athlete in program history to be voted as the Little East Conference Player of the Year, joining Pat Schultz (1998). Highly decorated, UMass Dartmouth captured six All-Little East Conference selections in 2014, the second most in program history since the conference was established in 1997.
